# AUTUMN / WINTER PRODUCT RANGE CATALOGUE

# AUTUMN / WINTER PRODUCTS

A RANGE OF COMPRESSORS, BATTERY PRODUCTS TO KEEP YOU GOING THROUGH WINTER.

Keep your vehicles going and on the road through the cold winter months with our range of battery compressors, chargers, monitors and more.

## Keeping your fleet on the road.

The increasing demand on car batteries from advanced vehicle electrics means that regular maintenance is required to prevent a flat battery.

Maintain and monitor tyre pressures with our range of compressors. Test, maintain and charge your batteries with our battery chargers.

## OUR SERVICES

**DELIVERY24**

Place your orders before 4.30pm Monday - Friday for next working day delivery. Guaranteed for UK Mainland customers only. Only on stocked lines.

**PARTSFINDER**

Use our PartsFinder feature on our website to identify the parts you need. Simply enter the machine make and model and let the website do the work!

**PARTSCHAT**

Discuss your requirements to select the right part using our website live chat PartsChat. You can even WhatsApp us direct on 01206 585439.

**IF YOU CAN'T SEE WHAT YOU WANT  
OUR TEAM ARE  
ON-HAND TO HELP OFFER  
SOLUTIONS TO THE CHALLENGES  
YOU FACE.**

# COMPRESSORS

A selection of compressors to help you maintain and monitor your tyre pressure. Essential for safety and fuel efficiency.

## Hi-Speed Compressor (85L / Min)

- For inflating 4WD vehicles and tractor tyres
- Inflates a 10R.15 tyre in app. 1 minute (from 15-32 psi)
- Direct battery connection, 3m lead & crocodile clips incl.
- 8m coiled air outlet hose with quick connector & pressure gauge
- Incl. carry case & bike tyre, ball and inflatable adaptors.
- 12V, 30 amps thermal overload protector
- 2 years warranty
- Max flow 85L/min

### Code

38.5011 12V Hi-Speed Compressor (85L/Min)

NEW

## Handheld Analogue Compressor With LED Light

- Can monitor and maintain tyre pressure anywhere and anytime. It is essential for your safety and fuel efficiency
- High speed inflation - 3.5 mins (0-36 PSI / 175/65/R14)
- Large precision analogue display (PSI / Bar)
- Super bright LED night light
- Practical hand held design
- Portable and compact
- Multiple adaptors included
- Quick release connector valve
- Max pressure range - 0-150 PSI

### Code

38.5146 12V Handheld Analogue Compressor w/ LED Light

## Digital Automatic Compressor With LED Light

- High speed inflation - 3.5 mins (0-36 PSI / 175/65/R14)
- Compact hose and power cord storage - air hose - 50cm, power cord - 3m. Handy accessory holder - air bed adaptor, ball adaptor and tyre valve adaptor.
- Large precision digital display and super bright LED night light
- Automatic pre-set shut off.
- Portable and compact with multiple adaptors incl.
- Max pressure range - 0-150 PSI
- 12V DC Power Supply - plugs directly into cigar lighter socket.

NEW

### Lithium-ion Power Pack

- Instantly jumpstarts dead batteries up to 20 times on a single charge
- Digital display and built in LED light
- 2 x 2.4A USB outputs for mobile phone charging and 19V 3.5A output for laptop charging
- Complete with accessories: USB multi output cable and 12V cigar lighter charger
- Impact resistant case included.
- Smart cable safety technology
- 15,000mAh lithium-ion battery

#### Code

38.1024 600A Lithium-Ion Power Pack

### Battery Connectors

#### Code

38.1011 Positive Battery Connector

38.1012 Negative Battery Connector

### Heavy Duty Power Pack and Jump Start

- 15Ah Battery
- 400 Amp (continuous) & 900 Amp (peak)
- Jump start petrol vehicles up to 3000cc and diesel vehicles up to 2200cc
- LED warning lights for reverse polarity & battery charge level and LED work light
- Fully rechargeable
- 1 x USB charging port and 2 x 12V sockets
- Charge time 230V AC: 20 hours
- Charge time 12V DC: 36 hours

#### Code

38.1009 12V Heavy Duty Power Pack & Jump Start

### Crocodile Clips

#### Code

38.1007 Black Heavy Duty Insulated Crocodile Clip

38.1008 Red Heavy Duty Insulated Crocodile Clip
